

Membership Information

What is the procedure for joining?

It is possible to download an application form from the Association's web site. The application form is a PDF within a zipped file. If your computer does not automatically open a Zip file you will need a utility such as WinZip. (obtainable from www.winzip.com) Just click the Join Now button to start the download.

How much does it cost to join?

The current membership subscription is £20 UK Sterling, or equivalent in Euro at the rate of exchange set by the Association Honorary Treasurer and approved at the Association Annual General Meeting.

How do I pay?

You can pay in UK Sterling or in Euro currency. You can pay your first subscription by cheque; thereafter, if you wish you can pay by Standing Order. The application form has details of where to send the application form with payment.

Can I pay online?

Not at this time, we are currently exploring that possibility.

Does the membership subscription change?

The membership fee is updated from time to time, at the Association Annual General Meeting, in order to compensate for the real increases in costs experienced by the Association, particularly that of postal costs incurred in the distribution of the Association's journal, The 40/10.

Anything else?

If you have a family connection with the Regiment you are encouraged to share the information on the application form.
